Broken Sound Club, Boca Raton

Executive Chefs from some of Boca's finest private country clubs will compete for the title of Top Chef in this Iron Chef-style competition. The evening begins with a delectable cocktail hour featuring hors d'oeuvres, wonderful silent auction items and entertainment followed by the main event. Each chef will create an original dish using a pre-selected secret ingredient and a panel of judges will determine the winner. The competition is filmed live and projected on large screens located throughout the ballroom and guests participate sampling each of the chef's creations at tasting stations located throughout the room.
