

February 2025 Grief Support Calendar

At Trustbridge, our mission is to bring a sense of peace and hope to those who are grieving the loss of a loved one.

THE NATURE OF GRIEF

Please attend once prior to attending support groups. All groups are one hour long.

The early days of the grieving process can be particularly difficult. Our bereavement services begin with *The Nature of Grief* which provides an overview of grief and offers strategies to help you during the early stages. After this group, you may choose from any of our Open Support Groups.

The Nature of Grief and our Open Support Groups are available to all without prior registration.
